

HEALTHY BENEFITS

EAT HEALTHY, BE HEALTHY

Healthy teams are happy ones. Get fresh organic produce and healthy snacks in your breakroom and watch your employees thrive.

LOCAL FARMERS, LOCAL ECONOMY

Supporting local organic farmers and food producers improves San Diego's economy, making it a better and safer place to live, work, and raise a family.

EASE, VALUE & VARIETY

One less thing to think about. Just let us bring you the freshest, tastiest fruit being picked in California. You'll get at least 7 varieties each time. Fresh fruit is a cost-effective wellness program that many companies pay for with their "wellness dollars".

HOW WE'RE DIFFERENT

WHY SAN DIEGO'S TOP COMPANIES ORDER FRESH FRUIT FROM DAILY HARVEST EXPRESS

We're proud to power many of the best companies in San Diego, who know the benefits of eating healthy at work! We always aim to understand our clients' unique needs so they can "put their wellness program on cruise control" without busting the budget.

Our relationships with local farms and growers ensure we pick the freshest, tastiest, organic fruit available, hand-packed and personally delivered from our Carlsbad location directly to your office. No more flavorless apples from the megastore or brain-draining junk food – **guaranteed!**

We're also proud partners of LiveWell San Diego, who has recognized us for helping San Diego be a healthier, safer place to live and work.
